

Dear Sir/Madam

Japanese Association in Thailand Charity Fund Donation

Japanese Association Charity Fund was established in 1973 and has donated to more than 50 organizations in Thailand, accumulated donation amounted more than 30 million baht to show appreciation of Japanese community to Thais and Thai society.

We usually hold charity bazaar every September, however, we decided to cancel this year due to the influence of the coronavirus infection and recent Bangkok restrictions.

Regarding the charity fund committee, we continued to contribute to Thai society by utilizing the carry-forward money last year. Japanese Association would like to continue good friendship with Thais and Thai society through our Charity Fund activities. This year we accept your donations by cash, crossed check and bank transfer.

Your donation provides critical support for educational support and scholarship, administrative support, youth development program.
