### Japanese Association in Thailand 52<sup>nd</sup> Charity Bazaar 2025 - Booth Participation

Dear Sir/Madam,

We hope this letter finds you in good health and prosperity. We would like to express our sincere gratitude for your continued support. The charity bazaar, which welcomed more than 2,400 visitors last year, will once again be held this year as in the details below.

This year, with the cooperation of ICONSIAM, we will be able to use the SURALAI HALL, a venue twice the size of last year's. As part of a new initiative, we will hold the event for two days, and by taking advantage of the characteristics of the venue, we will implement various measures to attract not only Japanese people but also Thai people more than last year. We are implementing various initiatives not only to attract more Japanese than last year but also to welcome a broader Thai, with the aim of maximizing the revenue from the bazaar. Although the event will be held for two days, the booth price (basic price) will remain the same as last year. Additionally, members will be offered a special price below the standard rate. We hope that companies that have not yet joined our membership would take this opportunity to consider joining us.

We sincerely apologize for reaching out during your busy schedule. However, we would be truly grateful if you could review the booth guidelines and kindly consider participating in the event. Your participation would be highly valued, and we deeply appreciate your support.

Sincerely yours,

Mr.Hiroshi Kakiuchi

Charity Bazaar Executive Committee
